ABOUT THE PROJECT

Lines of Legacy is a creative cultural education project that helps people explore Black history through art and storytelling. The flagship product, a Black history coloring book, highlights influential figures and encourages reflection, creativity, and conversation across generations.

WHY IT WORKS

- makes Black history interactive
- encourages reflection and discussion
- accessible across age groups
- works in classrooms, workshops, and community settings

FEATURED & AVAILABLE AT

- University of Michigan Ross School of Business
- nonprofit community organizations
- cultural vendor events
- Howard Family Bookstore (Detroit, MI)

WAYS TO WORK WITH US

Lines of Legacy Cultural Session

Interactive workshops where participants engage with Black history through storytelling, discussion, and creative reflection.

Recently introduced in a classroom setting, engaging students through creative learning and discussion.

Format may include:

- short talk about the project and cultural storytelling
- discussion of historical figures
- interactive coloring activity
- reflection and dialogue

Ideal for:

- schools
- libraries
- universities
- nonprofits
- corporate ERGs

Outcomes include increased engagement, deeper reflection, and more accessible entry points into Black history learning.
